Other Ringing News and Information

As some of you may be aware, Paul Lucas is currently down in Australia and managed to fit in a quarter peal during his first week there.

Saturday 16 November Christ Church, Claremont, Western Australia 1272 Cambridge Surprise Minor

The full details of this quarter peal can be found on Ringing World Bellboard for this date.

On Saturday 23rd November the outing organized by John Hearn to Stagsden, Lavendon, Olney and North Crawley took place. Hugh, Benjamin, Judy and our good ringing friend David Parkes from the Swindon area, plus Colin from Headington were part of an excellent turnout. Across the road from the first tower (Stagsden) there was a working farm and shop, with the opportunity to view a Berkshire sow and her ten strong litter (it would appear crossed with a Tamworth) in a shed. A break from ringing was provided at Olney for afternoon tea in this classic market town. We ended the day on tiptoes and with a good stretch at the final as the sallies were set exceptionally high.
