

MARSTON UPDATE

1st August 2021

Hugh Deam

Compiled by Benjamin Poole
(No. 211)

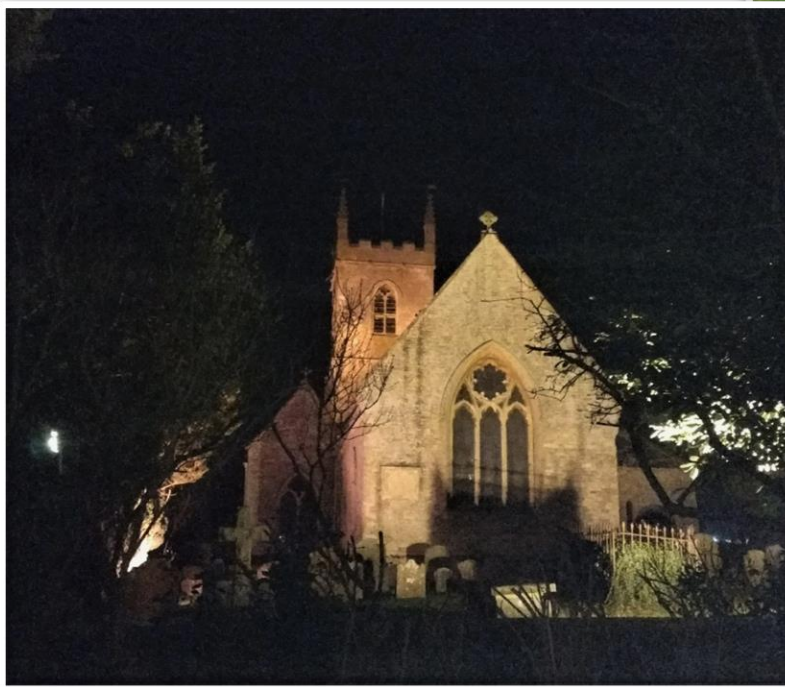

Not since Sunday 8th March 2020 have we been able to report a quarter peal for service (or anything else) at St Nicholas, but finally services and ringing have aligned once more. We rang exactly one third of the method variations posted for our final pre-lockdown quarter, which serves as a perfect illustration of how such a long lay off stymies the notion of simply picking up where one left off.
