

MARSTON UPDATE

March 3rd, 2020

HUGH DEAM
Compiled by
Donna Bennett
Issue #138

Wednesday, 19th February - Marston ringers were out and about during the school holiday period. On Wednesday Benjamin attended the latest Young Persons Ringing Event, which this time visited towers in and around Newbury. *In action photo left*

Also on Wednesday, Hugh rang in a quarter peal of Plain Bob Minor at Checkendon. Then on Thursday, (20th February) morning we rang a quarter peal of Single Canterbury and Plain Bob Minor at St Nicholas, Great Kimble, a splendid set of bells which we last visited back in 2004. Our thanks to Elizabeth (Iffley), Alison (North Leigh), Michael (Freeland) and Paul (Headington) for giving their time for this quarter. Hugh Deam, Elizabeth Mullett, Benjamin Poole, Alison Merryweather-Clarke, Michael Probert, Paul Lucas

Sunday, 23rd February
Our Sunday morning quarter peal included some variations on Antelope that we haven't done before. Our thanks to Jamie from Cowley tower for completing our band at short notice.

Plain Bob Major

If Northampton (see last week's Back in the Day) was synonymous with shoemaking, then Witney had an equal synonymity with blanket making. This was one of several visits we made to Witney tower and its fine ring of bells during the early 2000s.
