

MARSTON UPDATE

July 7th, 2021

Hugh Deam

Donna Bennett
Issue #207

Friday 25th June we were thankfully able to meet the request for ringing at the funeral of Sasha Wernberg-Moller, who along with her late husband lived next to the Vicarage, and who was a great advocate for our ringing down the years. She especially wanted the bells rung open for her funeral.

Sunday, July 4th we were delighted to welcome Charlotte Furneaux back to our band for our pre-service ringing. This was her first opportunity to have a proper ring since March 8th 2020 (the last quarter peal we rang here) as ringing has still not resumed at her home tower in Yorkshire. As the service this week was outside we added an extra five minutes to our usual ringing time, so Charlotte got the chance to treble to some Minor and our multi method/variation Doubles, and also ring Plain Bob on an inside bell
